Signpost Stockport for Carers

Who is this service for?

The service supports anyone providing a significant level of unpaid care to a friend, relative or neighbour, regardless of the age of the carer (from 6+) or cared for person. This includes those whose cared for is in residential care, or currently in a secondary care setting. The carer and/or the cared for is required to be a resident of Stockport in order to be able to access the service.

What is the service on offer?

Signpost provides A range of information and support to unpaid carers including contingency planning, counselling and emotional support, practical advice, social activities and benefits advice.
