Greater Manchester Suicide Bereavement Information Service

The impact of bereavement through suicide is
devastating - for family - for friends - for the community

The Suicide Bereavement Information Service has been
set up to help answer your questions - whether it is
seeking advice on immediate issues that need addressing
or making you aware of ongoing support services.

This Service has been commissioned by The Greater Manchester Health & Social Care Partnership

Greater Manchester Suicide Bereavement Information Service

Our dedicated team will listen carefully and help you:

- Identify resources and support in your local area
